Second Combined Australian
Junior National Championships
Under 15/Under 17

Sydney 1986

Souvenir Programme

PRESIDENT'S ADDRESS

I extend a very warm welcome to competitors and officials attending the second Combined Talent Identification Championships being hosted on behalf of the AWSA by the NSWWASF. Much thought, planning and plain hard work are involved in staging events of this nature, so congratulations to the NSW Assn. for their efforts.

The Talent identification program for both U/15's and U/17's commenced last year in Hobart following the steady growth in support for the original concept of an U/15 Championship offers players the challenge of competing within their peer group on a national basis and encourages them to develop their skills to a standard where they will soon be competing for places in the National Team.

For excitement and keen rivalry there are few events which can match the spectacle of young players putting forth their best efforts on the soccer field, but apart from these activities there are the many lasting friendships which are formed during the competition.

May you all have an enjoyable and memorable tournament.

**Elaine Watson
President**

EXECUTIVE DIRECTOR'S MESSAGE

Five years ago, the NSW Women's Soccer Federation hosted the senior National Championships. This year, they will be hosts to our most talented junior players under the age of 17.

National competition for juniors began in 1982 with the staging of the Under 15 championships in Melbourne. The introduction of the Under 17 championships last year marked an important step in the identification of talent for our senior national team.

The AWSA aims to raise the standard of elite performance and as such is endeavouring to provide international competition for the Youth Talent Identification squad. It is proposed that this squad participate in an invitational tournament in New Zealand early next year to facilitate the progress of our younger players to the senior ranks. All players participating in the 1986 combined Under 15/Under 17 Talent Identification scheme should aspire to be included in the Australian Youth squad.

Unfortunately, Fred Robins (National Coach) will not be able to attend these titles, however, he will be capably assisted by Clive Mackillop (Assistant National Coach) and other selectors. Fred has established his selection criteria and all players will be observed in accordance with this criteria.

As the hosts of this tournament, and as the defending title holders in both Divisions, I would like to wish the NSW Women's Soccer Federation every success in the conduct of the Championships. I hope that all teams have a successful and enjoyable tournament and that you all gain some achievement from the event.

Heather Reid

NEW SOUTH WALES WOMENS SOCCER FEDERATION PRESIDENT'S WELCOME

On behalf of the New South Wales Womens Soccer Federation I would like to take this opportunity to extend a warm and cordial welcome to all players, officials and supporters to Sydney for the Second Combined Under 15 & 17 National Championships.

The NSWWSF are extremely proud to be hosting this year's Championships, as we consider the Youth programme is of prime importance in the growth and development of women's soccer throughout Australia.

These prestigious titles are the stepping stone for our young players in their endeavours toward the National Squad and I am certain many of the players attending these titles will shortly don the "Green and Gold".

Events such as this pose a mammoth organisational task on the host State and obviously many people contribute greatly toward making these events

memorable ones. As Carnival Organiser I would like to express my sincere thanks to the Executive Committee of the NSWWSF for their endless efforts and to the many others who also contributed their time and efforts toward the successful staging of these Championships.

Finally, the NSWWSF trust that your short stay with us in Sydney is a pleasant one and we wish all teams well in their endeavours throughout these National Championships.

Lal Byers
President
